MARRIAGE LICENSES.

The man on the stage who does the trick of escaping from firmly tied ropes, submits to the bonds with a smile. He knows he can get out of the ropes that are being knotted. Put the same man in the woods and let Indian captors bind him to a tree for torture and he would

struggle to the last against the bonds. When the stomach is diseased there are bonds being woven every hour about the organs dependent on the stomach heart, lungs, liver, kidneys, etc. The folly of mankind is to passively submit to the fastening of these bonds with no

The three Murray districts are opposed to the eight-district plan because they will have to cast their lot with four districts which are not as wealthy as they are. After the exact condition of affairs was explained to them the trustees receded from their position to a certain degree, adding that they were perfectly willing to agree to the two-district scheme.

I Have Made the Most Marvelous LOGAN NEWS NOTES.

Logan, Feb. 16.—The contest for the Biddle piano, which was offered to the institution receiving the most votes cast, was closed last night, and the count showed the tabernacle choir to have received about 20,000 votes, while the local lodge of the I. O. O. F. received about 30,000. Each vote represented a 25-cent purchase at some store in the city.

The contest excited much interest in this city, and as a result of their defeat some of the local Odd Fellows are feeling very sore, and charges of trickery are being made pretty freely.
